

# OSE Encounter Activities – Cockatrice (d100)

1	Alerting fellows to an aerial predator with a screech	51	Imprinted on an unlucky Medium, faithfully following her
2	Alighting clumsily atop a Basalt Bugbear	52	In a stupor, staring at a chalk mark on the ground
3	Asserting territory with obnoxious calls	53	Incubating infertile, igneous eggs
4	Attacking an egg-stealing Serpent	54	Jabbing their spurs into the statue of a Shield bearer
5	Balancing precariously on a petrified Pike man's head	55	Landing from a long flight, panting and nervous
6	Being carefully gaffed by enterprising Goblin Bookmakers	56	Letting out a warning shriek, bounding at a Blink Dog
7	Bellowing noisily at a truculent Sun	57	Molting feathers and scales, a skin-crawling sight
8	Blustering about a clearing, stoning Rabbits	58	Murmuring encouraging noises to a clutch of eggs
9	Boastfully crowing after pecking a rival to death	59	Nibbling at the stone toes of a Marble Bandit Bowman
10	Bowing and waltzing in an elaborate courtship ritual	60	Pecking at the eyes of a petrified Ogre
11	Brooding on a tempting, gemstone-strewn nest	61	Peeling delicious lichen from a weathered Dervish statue
12	Browbeating an impetuous, younger cockerel	62	Perched upon an impressively life-like sculpture of a Troll
13	Burbling contentedly over strewn seeds and millet	63	Petrifying a willing Dwarf Missionary to the Plane of Earth
14	Cackling as a Large Cat calcifies before your very eyes	64	Plumed like a Peacock, feathers prized as Scroll Quills
15	Caught in a ground snare, flapping furiously	65	Pouncing on a Giant Rat, soon to be stone
16	Cawing a call-and-response to others in the area	66	Prancing about a statue studded clearing
17	Chasing down a frightened Fox	67	Preening and stretching after a brief nap
18	Chattering from a high perch, preparing to roost	68	Protecting their chicks from a stealthy Warp Beast
19	Chortling and dancing around a statuette of a Hawk	69	Puffing out chests to intimidate a Giant Tuatara
20	Circling above a field of crops, scaring Farmers	70	Raking their beaks across the trunks of withering trees
21	Clucking as they examine a Granite Gnoll	71	Rambling around a rock Ranger, drawing her sword
22	Coaxing chicks from a nest with hissing purrs	72	Restless hens stomp the ground, waiting for their cockerel
23	Coiled around a calcified Cleric, rattling unique tails	73	Roosting on shoulders of a petrified, grimacing Hill Giant
24	Completely flustered by a Living Statue	74	Rubbing their tails on a rough rock, scraping off shed
25	Cooing as they munch on wriggling worms	75	Ruffling scales and feathers to warm up
26	Crouching defensively, about to strike at a shadow	76	Scanning the sky after hearing a bird-of-prey shriek
27	Crowing defiantly atop a Limestone Lizard Man	77	Scraping and eating verdant moss from an Orc statue
28	Defending their territory from hungry Hellhounds	78	Scratching at detritus, swallowing fleeing Mice whole
29	Deftly dodging a Halfling Hunter's crossbow bolt	79	Screaming cacophonously at an immune Mongoose
30	Digging at the dirt for choice miniature mushrooms	80	Settling on the antlers of a very accurate Deer statue
31	Diving for a brightly colored lizard, scrambling away	81	Sitting on small mounds, brooding
32	Dustbathing in a patch of shimmering sand	82	Sought for their feathers for high-fashion millinery
33	Eagerly awaiting the Gnome Sage who feeds them	83	Sparring as Medusa place jewelry-laden wagers
34	Easily spooked after an encounter with Skeletons	84	Spurring a rapidly solidifying Soldier of Fortune
35	Escaped from an Orc Cockfighting Ring, very ornery	85	Squabbling over a twitching Giant Centipede
36	Escorting a Hen to a newly discovered den	86	Squawking with maniacal glee, rolling around in dirt
37	Flapping furiously as they fight a Giant Ferret	87	Stalking snails, leaving behind beautiful fossilized shells
38	Flitting swiftly to-and-fro, on high alert	88	Stammering out a staccato cock-a-doodle-do
39	Flogging a Flint Friar, frozen with a look of shock on his face	89	Staring down a Grizzly Bear, rearing up and roaring
40	Flouncing combs and tails to impress disinterested Hens	90	Stomping over statues of sleeping figures in bedrolls
41	Fluffing feathers and spines to become more imposing	91	Stridently peeping as they search for missing nestlings
42	Fluttering clumsily from perch to perch, falling occasionally	92	Strutting confidently after stoning a Berserker
43	Foraging on a leaf-strewn floor for food	93	Stumbling their way up a tree to find a place to sleep
44	Gathering the flock around a saltlick with strident clucks	94	Sunning themselves on a large flat rock
45	Gobbling up grubs from a splintered, rotting log	95	Swallowing gastroliths to stock their gizzards
46	Growling at the Ghoul who tends them	96	Swooping with speed at a dodging Kobold
47	Guiding pullets away from a dangerous drop	97	Tapping their beaks against stones to attract prey
48	Hackles raised at a Gorgon stomping through their nests	98	Trilling quavering calls after the death of their Rooster
49	Harassing a Hobgoblin camp, barely kept at bay by spears	99	Turning a Knight's Warhorse to stone underneath him
50	Hissing at a Gargoyle, who swats them off when they land	100	Utilized for divination by some particularly brave Acolytes
