

OSE Encounter Activities – Dryad (d100)

1	Admiring an ancient, clonal colony of Aspen	51	Interrogating a captured Bandit found collecting firewood
2	Admonishing a greedy Dwarf, digging at the foot of her Tree	52	Jealous of an Elf who would not succumb to her Charms
3	Asking politely before plucking a berry from a bush	53	Jilting a Journeyman who hasn't been seen in years
4	Attended by several Sprites, assisting her with her beryl braids	54	Judging a Pixie/Sprite bake off featuring delicious tarts
5	Attending the birth-planting of a Treant's acorn	55	Laying a false trail of flower petals to deceive pursuers
6	Baby-sitting two young Centaur siblings	56	Longing for the love of a penitent Priestess
7	Bathing bashfully in a brook	57	Loyally served by several Lizard Men
8	Beguiling a Merchant, heaping finery at her feet	58	Misjudged a journey: too far from her tree, slowly dying
9	Being courted by a very handsome Hobgoblin	59	Never far from her Werebear husband
10	Beseeking a Bugbear to lay down his Battle-axe	60	Nursing an injured Medium back to health
11	Besotted by a dashing young Bard who sings sweetly	61	Officiating an Elf wedding: two trees planted to entwine
12	Bewitching a chaste and steadfast Knight	62	Pining for the Paladin who wooed her, but hasn't returned
13	Bleeding sap as blindfolded lumberjacks hack at her home	63	Planting a kiss on a stupefied Friar
14	Blushing after being offered flowers from a Centaur suitor	64	Playfully teasing her most recent champion: A Minotaur
15	Captivated by a found Cameo containing a portrait of a Princess	65	Pockmarked from intractable Termite infestation
16	Catching up on the scuttlebutt with a local Nixie	66	Preening with a Magical Mirror, gift from a Witch admirer
17	Chaperoning a Dryad debutante held for their daughters	67	Protecting her "children" ten toddler-sized Wood Golems
18	Chasing fickle Butterflies to influence where they pollinate	68	Raised by Fishermen, unaware of her powers to Charm
19	Cherishing the heart-shaped scar 2 Lovers carved on her Tree long ago	69	Recycling a former paramour as compost, his last wishes
20	Combing her tresses with a Chimera bone comb	70	Re-homing a Bodkin Billed Woodpecker from her tree
21	Coveting exotic species of trees, will pay handsomely for cuttings	71	Routing a Goblin search-party with superb swordplay
22	Crowning her Champion's hair with laurel leaves	72	Rubbing the belly of a big, battle-scarred Blink Dog
23	Cultivating colorful Chrysanthemums and cream-colored Cala Lilies	73	Ruefully releasing an Ogre in exchange for a Unicorn's life
24	Daintily dining on tiny mounds of mulch, spread across a cloth	74	Sacrificing her Tree to build a special coffin for her beloved
25	Dancing delicately to the sounds of Songbirds	75	Scouring the forest floor for a misplaced engagement ring
26	Darning woolen socks that have seen better days	76	Singing lullabies as her lover drifts off to dream only of her
27	Delivering a sternly worded edict, from Druid to a local Hamlet	77	Slaughtering Sheep: her sister was turned to fenceposts
28	Deserting a changeling child near the reeds of a river	78	Sobbing unconsolably: discovered a voracious Tree Blight
29	Don't let her youthful beauty fool you: Her Tree's as old as the Forest	79	Softly stroking a Tiger that purrs contentedly
30	Enrapturing a Ranger, against her better judgement	80	Soliciting assistance to deal with a shroud of Ghouls
31	Enthralled Woodsmen, planting saplings at her direction	81	Soubretishly goading thralls to fight to death for her love
32	Fidgeting as she sits for a portrait, painted by an artistic paramour	82	Sought by the Royal Gardener for her green thumb
33	Fleeing flirtatious Fauns	83	Soundly defeating a war band of axe-wielding Orcs
34	Frantically scrubbing paint from trees marked for culling	84	Spoon-feeding hungry faces trapped in the trunks of trees
35	Freeing a Bear from a Hunter's snare	85	Sprucing up a clearing, so a Pegasus can land and foal
36	Fretting over a visit from her judgmental mother	86	Still learning to read, struggling with a ponderous tome
37	Gathering Gnomes for an ambitious transplanting project	87	Strolling through memory: tracing fingertips on tree rings
38	Gingerly tending a fire to cause cones to open	88	Struggling to shift a large, loose boulder: threatens her Tree
39	Gouging out the eyes of one who spurned her	89	Swaying softly, murmuring the names of former flames
40	Grafting blossoms into an Apple tree	90	Swinging, carefree, on a vine-swing
41	Gravid and about to bear child	91	Tending a Dragon topiary could easily be mistaken for real
42	Greedily gulping wine proffered by a Pixie	92	Trysting with a Thief, far from his Adventuring Party
43	Grieving over the loss of her lover due to pesky old age	93	Unable to remove the mistletoe that's slowly killing her
44	Hanging skull windchimes to frighten superstitious Lumberjacks	94	Visiting the local Treant grove with baskets of exotic soils
45	Harvesting honey from her dripping Giant Beehives	95	Waging a guerilla war on encroaching charcoal burners
46	Helping Halflings harvest wild mushrooms	96	Waited on hand-and-foot by well-groomed Gnolls
47	Hiding unsightly scars on her shins from a run-in with loggers	97	Watching over the construction of an Orc Sawmill
48	Hunted for refusing to abandon her half-Human child	98	Watering deadly Noose Vines, growing in boughs above
49	Idly decapitating rose blossoms into a basket	99	Weaving wreaths of forget-me-nots and weeping
50	In love with a fiery Efreeti, will end in in tragic embrace	100	Wringing out her hair after a long, soaking, rain
