

OSE Encounter Activities – Elephant (d100)

1	Alarming a jumpy Giant Grasshopper	51	Jubilantly squirting water on their back to cool off
2	Approaching a Crocodile infested river cautiously	52	Kicking down a tree trunk to feast on the fallen fruit
3	Avoiding a vigilant crash of tetchy Rhinocerotes	53	Leaning lazily against a root-choked temple ruin
4	Awkwardly swaying, a bit drunk on fermented Fire Limes	54	Lifting a Halfling to a sentry post, high in a tree with their trunk
5	Barreling into a Brigand bivouac	55	Lumbering down ancestral paths, eroded by centuries of heavy steps
6	Bathing in a lake, wide and deep	56	Marauding and bloodthirsty after a Kobold calf-napping
7	Bellowing loudly at a male challenger	57	Marking a tree by debarking it with their tusks
8	Blazing a trail through thorn-bearing bushes	58	Modifying a branch to use it as a flyswatter
9	Blowing dust on their wet skin to form a protective crust	59	Negotiating a narrow but sturdy bridge with their Mahout's urging
10	Breaking the back of a yowling Leopard	60	Nonchalantly pulling up tasty grey Tubers by their stalks
11	Chaperoned by overprotective and very warlike Sprites	61	Nudging an overly cautious calf into the water for the first time
12	Charging, trunk failing, towards a Chimera	62	Overwhelming a Goblin Warband, there will be no survivors
13	Chasing after a group of Gnolls, giggling with terror	63	Panicking local villagers by overturning a cart in the middle of town
14	Chewing and crunching loudly on tall Sugarcane	64	Parading, bedecked in sumptuous damask and vibrant paints
15	Coating themselves in thick black mud to soothe sunburn	65	Playfully splashing in a deep pond
16	Collapsing a crudely built Barn	66	Plodding down a steep slope, skidding periodically
17	Crashing through the undergrowth, away from Poachers	67	Plucking ripe bunches of Banana from branches
18	Crossing a fish-filled stream, stopping to drink midway	68	Quizzically regarding their reflection in the still surface of a pool
19	Delighting in the bristled brush of their Human Minder	69	Raging due to musth, secreting ichor from cheek glands
20	Destroying a Dwarf's meticulously constructed sluicing trough	70	Rearing onto hind legs, startled by a small rodent
21	Devouring sticky, sweet Melons from a frantic Farmer's garden	71	Recruited for calvary by Hobgoblins craving victory
22	Disobeying their Ankus-waving Minotaur Mahout	72	Remembering a Cleric's kindness, coming to their aid against Ghouls
23	Dragging a sledge, piled high with pottery	73	Retreating after hearing the buzz of a Beehive
24	Driving away a feisty Rogue Male	74	Running down a Tiger that crept to close to their calf
25	Dwarfing the Gnome Merchants who trained them as mounts	75	Savaging the trunk of a tree, stripping off delicious bark
26	Earnestly scratching on a very patient, but slightly worried Treant	76	Seizing a Troglodyte with their trunk and flailing them about
27	Emerging from dense jungle, looking for a lost calf	77	Shaking the ground with massive, trudging steps
28	Encroaching on a Fishing Village, intent on an ancient Salt Lick	78	Sneezing suddenly after stirring up some pale-yellow pollen
29	Enjoying a lightshow as they wave a glowing Wand with their trunk	79	Snorkeling with their trunks, completely submerged
30	Escaped from captivity, still dragging massive iron chains	80	Splintering a sturdy wooden fence
31	Excavating a cliffside with their tusks for mineral rich deposits	81	Squashing a Driver Ant that ambled too close for comfort
32	Feeding deftly on still tender shoots of grass	82	Stampeding, spooked by a Roc that snatched their Matriarch
33	Felling a dead tree, angering a swarm of hand-sized Ants	83	Stomping to deliver a firm warning to a Warp Beast
34	Flanking a pair of calves to shield them from a pack of Wolves	84	Swatting away stinging insects with their rope-like tails
35	Flapping their floppy ears to swat away flies	85	Swinging a large branch to intimidate White Apes
36	Flattening a vegetable patch with broad, determined steps	86	Tenderly touching the sun-bleached Skull of a deceased loved one
37	Following sullenly on a leash, behind a Hill Giant Hunter	87	Thundering through an extremely claustrophobic Bamboo Grove
38	Gathering at the behest of a Druid, ready to raze a town	88	Tirelessly trekking to pay respects at an Elephant Graveyard
39	Gingerly picking prickly Rambutans	89	Tossing an unlucky Lioness aside
40	Goring a Gorgon as fine Granite dust falls from their flanks	90	Towering over adoring Dung Beetlefolk attendants
41	Grasping for high leaves with a snake-like trunk	91	Towing a plow, turning the rich soil for their Cyclopean Tender
42	Grinding tightly bundled bunches of grasses with massive molars	92	Tracking their herd with their exceptional sense of smell
43	Halting at a wide dirt road, looking both ways before proceeding	93	Trampling a Hermit's Pumpkin patch
44	Harnessed with a wondrously glittering, gilt panoply	94	Transporting the bones of a Saint in an ornate Howdah
45	Hauling massive logs intended for a Goblin Fort's palisades	95	Trumpeting with excitement upon catching sight of an old friend
46	Heaving a huge boulder out of a furrowed Farro field	96	Uprooting a tree to rescue a Ranger asphyxiating by Stranglevines
47	Impaling an incompetent Ivory Hunter	97	Utterly smashing a clandestine Shrine to Chaos
48	Inopportunistly shuffling into a sacred site, interrupting a Ritual	98	Vehemently snorting, stuck in an extremely strong Snare
49	Irritable due to itchy skin, caused by a stinging sap	99	Violently rampaging through a Lizard Man Settlement
50	Journeying to a seasonally available water source	100	Whitewashing the walls of a Holy Temple, using their trunk to paint
