

OSE Encounter Activities – Gargoyle (d100)

1	Acquiescing after being paid a hefty toll, mostly in gemstones	51	Hurling loose bits of masonry at passers-by
2	Allied with the Church Grim that haunts nearby ruins	52	Imperiously smirking as an Adventuring Party prepares to camp
3	Amusing themselves with a game of draughts	53	Impersonating the unfortunately prevalent statuary in this area
4	Arrogantly grinning as they spy a group of Hobgoblin Soldiers	54	Installing a precariously balanced boulder over an obvious route
5	Balancing precariously on the tips of obelisk grave markers	55	Jeering at one of their number, grounded due to a smashed wing
6	Bending swords into bulky bracelets	56	Landing gracefully atop a steeple piercing the sky
7	Bounding on all fours after a delicious Giant Rat	57	Lanky and emaciated due to lack of food
8	Bowing to blushing Caryatid Columns	58	Lashing their barbed tails to-and-fro like a cat
9	Breathtakingly beautiful: crystalline specimens in the form of angels	59	Laughing at a Medium loosing a Sleep Spell
10	Capturing a Kobold with a weighted net	60	Leaping upon a Lizard Man and tearing him limb from limb
11	Chasing a fleeing Philosopher, tripping on her robes	61	Lurking behind a screen of dying Ivy
12	Cheaply made from hollow, fired clay painted to look like stone	62	Managing to subdue a mangy, maze-less Manticore
13	Chiseling a blended likeness in stone, as a mated pair models	63	Mimicking the Cherubs' poses on a non-functional Fountain
14	Circling like stone Vultures above a Veteran, bleeding out	64	Mutated by a nearby magic portal: vulnerable flesh patches in places
15	Clawing their way up a crumbling wall	65	Nesting near a humongous bronze bell
16	Comically tenuous interpretations of long dead Monks/Friars	66	Off-color caricatures of legendary Heroes, perfectly still
17	Confidently charging at a group of under-equipped Orcs	67	Panicking from a recent sighting of a hungry Basilisk
18	Cooing like Doves, convincingly	68	Parodying/poking fun at a Manticore, <i>Geased</i> to guard this place
19	Covertly stalking a Cleric, hoping they can remove a Curse	69	Perching precariously on the shoulders of a Stone Giant
20	Crouching in alcoves with unblinking gazes	70	Plunging into a deep pool, surfacing with handfuls of Gold
21	Decorating their aerie with bits of bone and skulls	71	Positioning themselves over doors to blend in with decorations
22	Defending an altar from the blessings of an Acolyte	72	Positively covered in thick, velvety moss
23	Depicting the Deadly Sins in their form and personalities	73	Pouncing on an Elf, distracted from sensing a Secret
24	Destroying artfully engraved slabs of stone that crackle on cracking	74	Practicing making faces in a still puddle
25	Distracted by a brave swarm of Bats that decided to dangle here	75	Pretending to surrender to a score of Dervishes
26	Divebombing a Warp Beast, missing most of the time	76	Protecting their mascot: An orphaned urchin child
27	Drifting lazily from perch to perch on patrol	77	Ready to spring on an unsuspecting Halfling
28	Engraved extensively with spidery intaglio, grants them each a Spell	78	Regretting a truce they made with a conniving Medusa
29	Excellent archers/snipers, rain volleys from above	79	Remarkably Indistinguishable from all other large cornice carvings
30	Flaunting their powers of flight as an Ogre shakes a frustrated fist	80	Resembling devilish Dwarfs with long lichen beards
31	Flinging gooey globs of Grey Ooze at foes	81	Roosting atop an "abandoned" Wizard's Tower
32	Fluttering silently on feather carved wings	82	Scaring off a cautious and somewhat superstitious Orc Warband
33	Glaring at a Rock Living Statue, unsure what to make of it	83	Scowling as their Sorceress issues new, grueling orders
34	Glistening with dew that serves as Holy Water if harvested	84	Sharing spooky stories of a crazed Berserker with a Magical Mattock
35	Glowing at a Paladin with a glowing sword	85	Sneering scornfully alongside their severed Shadow allies
36	Goading a Trader into leaving tribute	86	Soaring clumsily due to heavy gusts of wind
37	Gouging rude graffiti into plaster covered walls	87	Spouting rainwater, identical to their inanimate cousins
38	Granting sanctuary to those speaking their grating/guttural tongue	88	Squatting like toads in a circle facing outward
39	Grasping for a bejeweled amulet, dropped in a narrow crack	89	Surprisingly friendly toward a local Bishop
40	Grimacing contest with no clear winners	90	Swooping in silence, but landing with very loud scraping sounds
41	Grotesquely endowed with exaggerated facial features	91	Taking turns gargling the waters of a mysterious faintly glowing Pool
42	Guarding a glass alembic containing a fetal Homunculus	92	Taunting a Troll marooned on an island in the middle of an acidic lake
43	Gurgling as they spew jets of brackish water	93	Terrorizing a nearby Village that lacks Magical Armaments to fight
44	Harassing a Harpy on a mission of Diplomacy	94	Throwing Canopic Jars that explode in stinking, toxic clouds
45	Having their spiny stone backs scrubbed by a terrified Gnome	95	Toiling to repair a cave in and re-unite with loved ones
46	Headless: featuring exaggerated faces embedded in their torsos	96	Trying in vain to wake a Statue they suspect is sleeping
47	Hovering over a pit of Zombies, tossing in the occasional rock	97	Uncannily accurate at spitting wads of Green Slime
48	Huddling around a bas-relief of a Fireplace	98	Vexing a plan-drawing Architect by moving when she isn't looking
49	Hunched from centuries spent occupying alcoves	99	Weathered and wind-worn, faces eerily effaced
50	Hunkering down after a recent lightning strike scarred their leader	100	When eaten, furry lichen on their wings allows brief, erratic flight
