

OSE Encounter Activities – Crab, Giant (d100)

1	Abandoning a dried-out burrow, filled with sun-bleached shells	51	Managing to wrest a Harp from a distracted Harpy's hands
2	Absconding with a sleeping Sailor's Sword	52	Mechanically squeezing the life out of a Kobold
3	Adorning itself with stinging anemones	53	Migrating <i>en masse</i> to the nearest shore
4	Alerting others to a dead Seal, just washed in	54	Molting and timid, avoiding confrontations with each other
5	Ambushing a brave Beachcomber in search of salvage	55	Munching on a cracked cask of spilled hard tack
6	Attempting to repel a hungry Leper, armed with a pitchfork	56	Navigating spiny shards of coral with ease
7	Barreling into a bunch of Buccaneers burying treasure	57	Nipping at annoyed Wyvern, feasting on a beached Humpback
8	Basking in the sun after receiving a sudden chill	58	Nosily scurrying across the rocks
9	Being decimated by a Giant Tuatara's teeth	59	Occupying a Giant's helm as an ersatz Shell
10	Burrowing into the shady side of a dune	60	Ousting a normal-sized Otter from a favorite den
11	Cannibalizing one of their own, soft/vulnerable from molting	61	Painstakingly investigating the water line for tasty flotsam
12	Circling each other, clacking claws in courtship	62	Pale, peeling carapaces reveal that they will soon need to shed
13	Clinging to an impossibly large (think Sequoia) piece of driftwood	63	Picking at a very large starfish, the size of a wagon-wheel
14	Crushing open a sea-encrusted wine bottle	64	Preventing a small Rowboat from landing here
15	Daintily nibbling on a dead Dolphin	65	Prized dish of a nearby bribe-able Halfling Sheriff
16	Dancing around to the tune of a Bard's flute	66	Proudly raising their larger, more colorful claws in unison
17	Dashing towards the shadow of a Sea Gull	67	Quibbling over the contents of a Turtle nest
18	Decorating a tidal pool with shiny finds	68	Racing side-ways, away from a Giant Toad
19	Defending a choice boulder, tossing aside smaller interlopers	69	Ransacking a small hut, door blown off its hinges by a storm
20	Deftly side-stepping a Merman's trident	70	Rapidly withdrawing, several are smashed by a Troll's mighty club
21	Depositing gelatinous eggs inside a damp divot	71	Receding in a wave as a Roc's shadow slinks across the sand
22	Developed a taste for Human flesh after a recent flood	72	Ridden by Sand Pixies, armed with wickedly barbed lances
23	Digging a pebbly pit to store sea water when the tide leaves	73	Rummaging through an overturned Cart as a nervous Horse whinnies
24	Displaying upraised Claws while an unimpressed female looks on	74	Scampering crabwise after a Giant Rat
25	Ducking under a shady outcrop before the hottest part of the day	75	Scavenging the still-twitching catch from an old net
26	Each has a carapace that looks like a Warrior's face	76	Scrambling for the best position atop a giant stone head
27	Eating a shipwrecked Pirate, dead for weeks	77	Scuttling atop an overturned Lifeboat, muffled yells inside
28	Evading a hungry Giant Hawk	78	Serving a Vivimancer, has replaced her left hand with massive claw
29	Even when severed, claws won't unclamp for 3 days/nights	79	Sheltering in an intriguing cave, only accessible when the water is low
30	Evicting a smaller rival from its burrow	80	Skirting the edges of a Lizard Man camp
31	Excavating a new den higher up the beach	81	Sprinting away from a gluttonous Crocodile
32	Favorite food of a nomadic pack of Gnolls	82	Stacking uniformly sized rocks into pyramidal cairns
33	Feasting on rotting fruits, washed up in the foam	83	Starting to outgrow the rusty bucklers and shields they use as Shells
34	Fighting over stinking strips of blubber	84	Stubbornly grasping at a Ghoul in an Iron Gibbet
35	Filling the air with loud, threatening claw-clacks	85	Surprisingly adept at tree climbing to rob nests
36	Flaunting new spiny Nautiloid shells	86	Tamed long ago by a nearby Kelp Dryad
37	Gorging themselves silly on rotting remains of a Sea Serpent	87	Tenaciously pinching a Trader, screaming for help
38	Grappling with each other, occasionally tearing off a claw	88	Terrorizing a local Fishing Community due to population boom
39	Grazing on washed up seaweed and kelp leaves	89	They seem drawn to a Claw-topped Staff, stuck upright in the ground
40	Guarding a Mermaid, unconscious and washed up on the rocks	90	Toppling a magically lit Obelisk, carved with strange runes
41	Hiding a secret: Their dance tells the tide when to come in	91	Towing a tattered fishing net, caught on a leg
42	Holding a hungry, hook-handed Goblin at bay	92	Trying on a larger, more colorful, Shell on for size
43	Holing up after sensing an upcoming squall	93	Upsetting local Fisherman by camping out on the Pier
44	Ignoring the toppled over chest, spilling out gold on the beach	94	Venturing cautiously from crevasse to crevasse
45	Inhabiting a wind-blasted and beached Brigantine	95	Voraciously ravaging the shallows after spawning fishes
46	Inspecting the sands with beady eyestalks	96	Wading into the water in search of Mollusks
47	Jerking a rusty chain, half buried in the beach sand	97	Watching the largest Male for signs of weakness
48	Jostling for pungent scraps from a washed-up Whale	98	When seen at night, bioluminescent algae on them glows eerily
49	Lashing out half-heartedly at a squawking Bird	99	Wrenching a golden hand-mirror away from a weeping Mermaid
50	Luring Pterodactyls to land by feigning injury	100	Zigzagging to flee from a diving Griffon
