

# OSE Encounter Activities – Scorpion, Giant (d100)

1	Agitating a diligent colony of Driver Ants	51	Lifting their pincers into the air to bask in a breeze
2	Ambushing an Orc Axe-maiden from the shadows	52	Lurking under a massive steel Shield, fit for a Giant
3	Angrily grasping at the air and waving their sting to-and-fro	53	Manipulating a Giant Rat deftly with their claws and mandibles
4	Attacking a reflection in a cracked brass mirror	54	Menacing an oblivious Giant Bat, roosting out of reach
5	Battering down a stuck wooden door with massive, spiny claws	55	Munching on a gaudily dressed Merchant, still wearing jewelry
6	Beckoning atop a boulder in a strangely mechanical fashion	56	Neatly coiling themselves around a warm, black boulder
7	Besieging a small community of Dervishes	57	Nesting in a shallow depression of cool sand
8	Brandishing the contorted corpse of a Ghoul in their claws	58	Noticing a marauding Ochre Jelly, just in time
9	Bustling back and forth around a shallow pit of bones	59	Overwhelming a phalanx of Kobold Spearmen
10	Cannibalizing a male, having just mated	60	Picking at an abandoned Camp Site inquisitively
11	Carrying cat-sized translucent young on their backs	61	Piercing the fuzzy hide of a foaming mad Giant Shrew
12	Catching a fleeing Cutpurse by the cloak with their claw	62	Pinching at the bases of plants to release a sweet sap
13	Charging belligerently at a rival, pincers raised	63	Plunging their sting into a pool, and pulling up gasping Fish
14	Clacking their pinchers rhythmically with a hollow sound	64	Prowling among tall Termite mounds, tricky to spot
15	Clambering over a pile of cracked roof tiles	65	Prying a flat boulder onto its side with their claws
16	Climbing with surprising grace, over a pile of rusted Armor	66	Quietly skulking toward some tethered Warhorses
17	Cramming what may have been a Camel in their mouthparts	67	Raising their sting high, moments from striking a Dwarf
18	Crawling low to the ground, due to flying Bats above	68	Rearing onto hindmost legs to snap at a Robber Fly
19	Crushing a buzzing Cave Locust's abdomen with a crunch	69	Releasing its hold on a furious Mummy
20	Damaging a finely carved ring of Statues, knocking them over	70	Repeatedly stinging a stubborn Ranger with a Magic Periapt
21	Dancing a <i>promenade à deux</i> as part of a mate selection process	71	Ridden by Goblins, tails propped upright with wooden forks
22	Dashing out from underneath a precarious overhang	72	Running with a loud clatter across stones, away from a Roc
23	Devouring a Giant Tarantula	73	Scaling a mound of boulders, slipping slightly with every step
24	Dropping the drained husk of a Hermit	74	Scurrying toward their Druid companion
25	Emerging from a pebble strewn, foul-smelling burrow	75	Scuttling out from behind an upturned table
26	Entwining with a Giant Ferret, locked in mortal combat	76	Sedately creeping, slower due to a lack of food
27	Envenoming a Veteran, stinger punching through Breastplate	77	Seizing a Rock Baboon and stinging it repeatedly
28	Feeding on a bloated Giant Toad	78	Serving as Mounts for a vicious vector of Paladins of Disease
29	Flinching from the embers of a hurled Torch	79	Severing the arm of a whimpering Troglodyte
30	Flogging the tip of their tail angrily against a statuesque Golem	80	Sheltering under a beautifully carved ciborium
31	Flourishing their wicked pincers dramatically at any sound	81	Squeezing the life out of a Cultist sent to deposit offerings
32	Fluorescing a beautiful blue in the light of glowing Fungi	82	Stabbing a Killer Bee whose stinger failed to find purchase
33	Following patiently behind a staggering Horse	83	Staunchly clenching a twitching Troll leg
34	Frustratedly shaking an undying Skeleton in their grasp	84	Storming a pen of bleating sheep
35	Gathering smooth stones into uniform piles	85	Strangling an unlucky Gnoll as allies begin to titter nervously
36	Gesticulating wildly: victim of a Djinni's polymorphic curse	86	Stretching to surprising lengths to cross a crevasse
37	Grabbing a Stalagmite suddenly, gouging into the surface	87	Striking the shield of a Sun Cleric with a resounding ring
38	Grappling with an enormous Rattlesnake	88	Thrashing a still squirming Crab Spider against a rock
39	Hiding in the damp beneath a large Tent canvass	89	Trampling an Elf Archer, with an empty Quiver
40	Hissing loudly as their book-lungs sputter and wheeze	90	Twirling & clacking claws...surrounded by hungry Giant Weasels
41	Holding fast to a frightened Fighter, futilely bashing with fists	91	Unbalancing a precariously placed Monolith by trying to climb it
42	Huddling compactly, ready to spring on any prey	92	Vacating a favorite den due to Green Slime
43	Impaling a Gelatinous Cube, repeatedly and to little effect	93	Venturing cautiously out of an enormous green glass bottle
44	Inching ever closer to a rambunctious litter of Blink Puppies	94	Vomiting up indigestible armor, bones, and straps
45	Intercepting a group of Lizard Man Foragers	95	Waiting patiently to be fed by a Minotaur Shaman
46	Jabbing wickedly barbed sting into a screeching Fire Beetle	96	Walking around a moaning group of Zombies
47	Juddering after stirring up a cloud of Yellow Mould	97	Waving their claws at an Ogre menacingly
48	Killing a Rock Baboon with its tenacious squeeze	98	Wounding a Nomad, perched in a tree with their sting
49	Knouting a giggling Gargoyle fruitlessly with their tail	99	Wrenching the Halberd out of the hands of a Berserker
50	Lashing their stings side-to-side as a distant Vulture croaks	100	Wringing the neck of a Bugbear turning blue
