

OSE Encounter Activities – Hippogriff (d100)

1	Abruptly swooping after spotting a Pear Orchard from the air	51	Kicking an Apple Tree with hind hooves to knock down Fruit
2	Adroitly fishing for Giant Bass in a secluded Tarn	52	Launching from their Rookery atop an abandoned Tower
3	Alighting gracefully atop a moist turf-covered knoll	53	Leaping onto a bleating Mountain Goat
4	Ascending as one after the reverberating twang of a Bowstring	54	Mercilessly chasing down a lone Griffon cub
5	Attacking a Shepherdess's defenseless Flock: she hides near a Rock	55	Meticulously plucking out certain feathers to line a nest
6	Baffling a cautious, carefully sneaking Tiger by taking flight	56	Mournfully crying as they nudge a limp and lifeless Foal
7	Battering a helpless Scarecrow savagely	57	Nesting at the base of a tremendous Treant
8	Bestially clawing at rotting Logs to sharpen their talons	58	Nickering Mares watch a strutting Stallion with disinterest
9	Brooding a clutch of large Eggs, speckled for camouflage	59	Noisily screaming as they clip the canopies of Trees
10	Carrying their Elf Riders confidently on patrol	60	Nursing newly hatched Foals who still have soft beaks
11	Carving chunks from a dead Cow with their vicious beaks	61	Nuzzling their Gnome trainer playfully, nearly knocking her over
12	Challenging a rogue Male from another Herd for pecking order	62	Obsessively rearranging shiny bits of Treasure to impress Mares
13	Charging down a hill to pick up speed, in order to take wing	63	Overconfidently divebombing an enormous Tortoise
14	Circling high above a herd of wild Donkeys	64	Pecking at a flustered, but unhurt Gargoyle
15	Clinging stubbornly to a craggy bluff, surveying surroundings	65	Piercing the air with stringent territorial Calls and Cries
16	Coasting to a stop after suddenly landing in a field of flowers	66	Plummeting suddenly after seeing a Roc on the Horizon
17	Collapsing a dilapidated Shack, home to a helpless Hermit	67	Preening with the aid of a Magic Quill seeking Medium
18	Congregating around an Elephant that the strongest slew	68	Preying on prized Deer from a local Lord's preserve
19	Cresting a moss-covered Mesa, scouting out nesting sites	69	Protecting a Shrine to the Godling of Cumulus Clouds
20	Darting in high grasses, trying fruitlessly to out-run Flies	70	Pursuing an unlucky Lioness to drive her away from the herd
21	Dazzlingly adorned with golden feathers and colorful coats	71	Quickly springing to their feet after a distant Howl
22	Descending in lazy circles as the wind begins to pick up	72	Quietly grazing in a field of floridly flowering Artichokes
23	Devouring a Trader's Horse as he scrambles up a Tree	73	Rearing on hind legs to mangle a Minotaur
24	Diving in turn to harry a grumpy Grizzly Bear	74	Regurgitating bits of Purple Worm to screeching young
25	Drinking watchfully from a cool melt-fed Stream	75	Resting in the shade of a humongous Granite Foot
26	Dropping stones from great heights to crack tough Fruits	76	Ripping chunks of chainmail off a dead Hobgoblin
27	Encouraging warbling Hatchlings out of their shells with coos	77	Roosting on a treacherously inaccessible Peak
28	Energetically prancing across a prairie of Purple Flowers	78	Scattering at the distinctive shriek of a pride of Griffons
29	Expertly skimming the surface of a pristine Lake	79	Seizing a squealing Boar with their wicked Talons
30	Fanning themselves with their beautiful wings to cool off	80	Shaking of water from a recent downpour, bedraggled
31	Fleeing from a hungry flock of Griffons	81	Sheltering from ominous clouds in an abandoned Stable
32	Flicking their tails to try to drive away irritating Gadflies	82	Singling out the weakest Wild Horse from a herd
33	Flying in a majestic "V" formation, taking turns at the crook	83	Snatching the shiny Helmet from the head of a cursing Dwarf
34	Following behind a Centaur Clan for safety	84	Soaring high above the heads of Orcs on the War March
35	Furiously flapping their massive wingspans in gale force winds	85	Squawking defiantly at their Nomad Trainer
36	Galloping on scorched lands from recent Fires, kicking up ash	86	Stealing a huge Fish from a Giant Hawk, midflight
37	Gnawing off tough Scales from a dead Rock Python	87	Stretching out their wings to bask in the Sun
38	Gobbling, like Turkeys: wings fanned out to make them larger	88	Sweeping through a narrow pass on the funneled currents
39	Grabbing an unsuspecting Goblin, hunched over a stew pot	89	Teaching yearlings how to hunt by releasing a wounded Sheep
40	Greedily scavenging a dead Wyvern as Ravens croak nearby	90	Tearing into sacks of Oats on a Halfling Farmer's cart
41	Grunting as they gouge the ground for tender Tubers	91	Trotting sullenly along a road with a wounded left Wing
42	Guarding a organized complex of Standing Stones	92	Unexpectedly plunging to evade a high-flying Blue Dragon
43	Harnessed and clad in armor Plates, pawing at a dead Paladin	93	Unfurling their wings in unison to shield flightless Foals
44	Herding a mass of skittish Antelope into a dead-end pass	94	Vaulting across a wide river, barely avoiding a Crocodile's jaws
45	Hovering above a hissing Cockatrice, cautiously	95	Viciously rending a Hill Giant who invaded their nesting ground
46	Imperiously clicking their razor-sharp Beaks	96	Violently screeching, their lead Stallion caught in a Trap
47	Inadvertently trampling a Ring of Mushrooms as Pixies protest	97	Watching a slowly approaching Ranger warily
48	Incubating a clutch, periodically rising to turn the Eggs	98	Wheeling without warning, down from thick fluffy clouds
49	Jubilantly ganging up on a Pegasus in an airborne dogfight	99	Whistling to assure the herd of everyone's safety
50	Jumping and bucking as they frolic in a Forest Clearing	100	Wounding a gibbering Ghoul after nibbling on Grave Moss
