

OSE Encounter Activities - Pegasus (d100)

1	Adorning a Bower with bright blue flowers as colorful courtship	51	Nibbling gingerly on salty mineral deposits to expose them
2	Alighting on a verdant hill bearing Bushes with big, ripe Berries	52	Nudging a self-conscious Acolyte toward a forgotten Shrine
3	Ascending into a cloudbank, trailing a plume of soft white brume	53	Nursing two Foals, one pearlescent, the other deep, oily sable
4	Baulking, lowering her head to challenge a chattering Chipmunk	54	Overlooking treetops from a high perch, after smelling Dragon
5	Bucking and bothered, tormented by a thirst of Stirges	55	Overtaking a motley band of Egg-Stealing Kobolds
6	Careening for cover, barely dodging a leafy canopy	56	Pampered, mane and tail meticulously braided by a lonely Dryad
7	Carrying a timorous Rider, eyes shut/head buried in the mane	57	Panicking a nye of Pheasants by landing in their field
8	Charging to scatter a pack of prowling Wolves	58	Parading with outstretched Wings before disinterested Mares
9	Chomping with satisfaction on an abandoned basket of Carrots	59	Perching on a cliff's Edge, tugging a dangling Bard's cloak
10	Clattering with a canter down a road in desperate need of repair	60	Playfully chasing a pleasure of Pixies through <i>Bearblossoms</i>
11	Climbing abruptly, out of the range of Hobgoblin Arrows	61	Plucking fat, juicy Cherries from branches, staining mouth red
12	Coasting to a slow stop, mere inches above the ground	62	Plunging in a twisting dive to outmaneuver a hungry Hippogriff
13	Considered a sacred omen, fearlessly protected by Lizard Men	63	Prancing up to a pond to genuflect before a Nixie
14	Crunching as they trot through deep piles of dead leaves	64	Preening their wings fastidiously after a recent rain shower
15	Descending toward a precarious and largely inaccessible Nest	65	Pulling an ornate Chariot with a broken axle, frustrating/noisy
16	Desperately dogfighting with two screeching Griffons	66	Quickly divebombing a group of fearful Goblins
17	Dramatically plummeting to show off bravely for the Herd	67	Racing affably with a Unicorn, across a sweet-smelling meadow
18	Drinking from a trickling, crystal-clear Spring	68	Rallying to right a Wagon with a Cleric pinned beneath
19	Drooping and singed wings betray a Chimera encounter	69	Rearing on hind legs at the hiss of a Cockatrice
20	Encouraging young Foals to fledge from the nest with nudges	70	Receiving the attentions of a tender Centaur with a Hoof Knife
21	Escaping from an Ogre's massive Net, hooves still tangled	71	Resting in Treant shade, branches draped with hairy moss
22	Fidgeting and fussing from an un-scratchable itch	72	Roaming from Wizard to Wizard, looking for another Reincarnation
23	Fleeing at the sound of Gnoll war-cries	73	Roosting on a half-collapsed bridge, spanning a deep Ravine
24	Flying low over a Lake, belly barely brushing Cattails	74	Running to gain speed, before leaping into flight
25	Folding and refolding their wings at rest	75	Scouting for potential predators before bringing Foals to feed
26	Fretting near a Ruined Shrine, Rider went in and has not returned	76	Selecting sun-ripened Fruit from high branches, hovering
27	Galloping with a herd of similarly striped Zebra	77	Shying away from the outstretched hand of a Neanderthal
28	Gamboling and frolicking in the beginnings of a brisk breeze	78	Skidding to a stop on stony gravel after a sudden landing
29	Gathering sturdy branches to weave together their first Nest	79	Skimming tops of tall grasses, wings kicking up clouds of dust
30	Gently nipping their Rider's shoulder for a few head scratches	80	Snorting to warn a Moose, grazing too close
31	Giving wide berth to a temperamental Gorgon grazing nearby	81	Soaring higher, a terrified Halfling on her back
32	Gliding gracefully above treetops, looking for prime pasture	82	Springing to defense of a sacred Stone Circle
33	Grazing alongside a few grumpy Titanotheres	83	Stamping at barren ground and producing a trickle of water
34	Guiding an injured limping Mate gently down a steep slope	84	Stealing a Dwarf Merchant's outrageous Hat in jest
35	Harassing a crouched and growling Cougar from the air	85	Striking a skull from the shoulders of a Sword-wielding Skeleton
36	Herding a mass of skittish Deer, lightheartedly	86	Studying a Snake Haired Statue, almost forlornly
37	Humoring an energetic foal, playing Tug-Of-War with a branch	87	Swerving to avoid the Bolts of vicious Harpy Crossbows
38	Idly circling on rising thermals, flapping only occasionally	88	Swooping to dodge a Cyclops' large lobbed boulder
39	Inconceivably trudging before a plow, pulling it down a furrow	89	Taking wing in unison, a truly breath-taking sight
40	Joyfully flapping their wide wings after a yawning stretch	90	Tamed mascot of a Travelling Circus not seen in centuries
41	Kicking both back legs, striking a Troll square in the chest	91	Tenderly nuzzling a fair-haired Knight as she laces her Greaves
42	Landing unsteadily on a pile of Bracken, stomping and shaking	92	Throwing back their head and shaking burrs from their mane
43	Lassoed and baying as Bandits struggle to keep him terrestrial	93	Treading mercilessly on a hissing Snake
44	Launching themselves from a tall Bluff	94	Trotting cautiously on water-logged turf
45	Lining their nest with down and shed feathers	95	Unfurling magnificent ivory feathered wings to bask
46	Luring a Wyvern away from their Mate, incubating eggs	96	Vaulting over the crumbling walls of a massive open-air Maze
47	Molting, pulling out crooked pinions with their teeth	97	Visiting friendly Gnomes to be re-shod
48	Munching on a handful of Oats offered by an Elf	98	Waiting patiently by a Bugbear Cave for their Paladin to emerge
49	Neighing softly to calm down a frightened Foal	99	Wheeling to avoid the grasping talons of a Wyvern
50	Nesting atop a dilapidated Windmill, groaning in the breeze	100	Whinnying after catching scent of an Owl Bear
