

OSE Encounter Activities - Rhinoceros (d30)

All Rhinoceros

1	Avoiding the scent of Poachers on the wind	16	Rampaging after the death of their Mate from starvation
2	Barreling directly toward a stranded Cart	17	Roaming perilously close to a Halfling Settlement
3	Charging after a rival Male, to drive him from their territory	18	Rummaging through hardy shrubs for tender shoots
4	Crashing through brittle undergrowth	19	Rushing across a flat field, kicking up clouds
5	Destroying a lean-to, as Nomad's flee	20	Shunning a huge pile of bones, patrolled by Skeletons
6	Eating their fill on tough, dry grasses	21	Sidling up to a large boulder for a satisfying scratch
7	Enraged at the sight of their own shadow	22	Sniffing the large tracks of a potential Interloper
8	Furrowing the packed soil in search of Tubers and Roots	23	Stampeding to drive away a pack of slaving Wolves
9	Grunting as they rub their sides on a sad looking Tree trunk	24	Stumbling and sluggish after ingesting a soporific Herb
10	Inadvertently stomping on a Gnome's meager Garden	25	Thundering down a hill toward a terrified Berserker
11	Mother watches as squealing young fight over a Branch	26	Toppling an enormous dead Tree Trunk
12	Nursing a noisy and inquisitive Calf	27	Trampling a Neanderthal hunting party with Stone Spears
13	Pawing at the packed ground, preparing to Charge	28	Trotting majestically with horn(s) held high
14	Peering into the distance, squinting after a distant Roar	29	Visiting a favorite watering hole, startling other drinkers
15	Prodding at another Rhino to move them gently away	30	Wallowing in sticky Red Mud to alleviate itching

Normal Rhinoceros

1	Attacking a group of Net-wielding Hobgoblins	16	Menacing a Spell-Component seeking Medium
2	Besieging a Brigand's bivouac, she cowers atop a boulder	17	Nibbling on thick dangling strands of dripping aquatic plants
3	Browsing low hanging branches for leaves	18	Peacefully grazing among a herd of Wild Horses
4	Chasing away grazing Antelope from his precious patch	19	Playfully splashing in innumerable puddles after a recent rain
5	Cooling off in a Pond, occasionally thrashing to frighten birds	20	Plucking shiny leaves with surprisingly dexterous lips
6	Cropping flower buds from a spikey succulent	21	Reaching and straining to strip the last greenery from a Tree
7	Defending a Ranger, mauled by a Manticore	22	Scattering a troop of feisty and vocal Rock Baboons
8	Drinking deeply from a stream, eyeing Crocodiles closely	23	Shredding long strips of bright yellow bark from a Log
9	Flicking their bristly tails from side to side	24	Splintering the wooden door of a disused Barn
10	Fording a Piranha infested River with stoic confidence	25	Tolerating the large ivory Birds, perched on its back
11	Galloping on a crumbling Bridge, snapping beams and wood	26	Treeing a very terrified Templar
12	Gorging on a Haystack, flustered Farmer glowering nearby	27	Twitching their tufted Ears to swat a swarm of Flies
13	Hauling a Wagon, full of very drunken Dwarfs	28	Unhorsing a Knight, crumpled and dented in the dust
14	Intimidating a pack of Feral Hellhounds into flight	29	Uprooting an equally stubborn Avocado Tree
15	Lazily consuming fallen Fruit that is starting to ferment	30	Wading through well-armed Goblins, flinging them like Toys

Woolly Rhinoceros

1	Bellowing mournfully over a missing Calf	16	Pin-cushioned by crude Spears, but no worse of wear
2	Bracing against a frigid, sleeting wind	17	Plodding in snow at least as deep as a Halfling is tall
3	Chewing on a mouthful of crunchy dry twigs	18	Plowing with their horn, searching for scraggly Plants
4	Cracking a thick ice pack with their tremendous weight	19	Pulling a sled with a Frost Giant Driver
5	Digging with their forelegs for any trace of grass	20	Rolling around on the ground to dislodge icy chunks
6	Emerging from a biting blizzard, covered in snow	21	Scratching at an iced over watering hole, thirsty
7	Gazing from atop a ridge at curling Campfire smoke	22	Shaking off a massive amount of snow from their backs
8	Huddling for warmth, a mass of shaggy Horns	23	Sheltering beneath a large Granite Overhang
9	Joining up with a herd of Mammoths temporarily	24	Shoveling aside a drift with their Horn hoping for food
10	Lumbering slowly, carrying Nomad Tent materials	25	Snorting and blowing out large clouds of breath-steam
11	Marching single file, down an avalanche prone pass	26	Stripping the bark from a snow-covered Pine
12	Migrating to new lands, after a White Dragon woke up	27	Sweeping a snowdrift with their huge Horn
13	Munching on a patch of Grass, miraculously intact	28	Towering above the Dwarf that domesticated them
14	Overrunning a Dire Wolf, separated from their pack	29	Trekking past the body of a Mastodon, succumbed to starvation
15	Peeling thick sheets of hardy lichen from icy boulders	30	Viciously gouging a roaring Cave Bear
