

OSE Encounter Activities – Stirge (d100)

1	Alighting on a cast iron Lantern hooks, high above	51	Jockeying for prime position on a desperately braying Mule
2	Annoying a Gargoyle, unable to pierce her stony hide	52	Keening from the inky darkness above, diving down periodically
3	Avoiding a startling smell: an approaching Gelatinous Cube	53	Keeping their newly hatched young warm in their pouches
4	Beating their wings dry of damp and dew	54	Landing on a brackish basin, drinking watchfully with long tongues
5	Billowing forth from a fissure in the stone	55	Launching from their perch at an unlucky Ranger
6	Blundering into a hanging, bloodstained cloth with dull thuds	56	Lazily gliding on warm currents from steamy thermal vents
7	Brooding within their scab-like spittle nests	57	Living in a strange symbiosis with Giant Ghoulish Rats
8	Buzzing with ever increasing intensity during a mating flight	58	Menacing a Medium as she waves a Torch recklessly
9	Circling the withered corpse of a Cleric	59	Mobbing a Merchant, Bodyguards bruise as they club them off
10	Clicking with loud stridulating sounds to claim territory	60	Monotonously droning with their rapidly flapping wings
11	Clinging to a crudely wrought iron Chandelier	61	Nesting inside a mummified Giant Bat, suspended from the ceiling
12	Clustering on a squealing Giant Rat	62	Noisily squealing as some of them sizzle from Green Slime
13	Congregating above a Pool, occasionally spearfishing for Frogs	63	Occupying the skull of some sort of very large Lizard
14	Cowering from a Gnome testing her last dose of Stirge repellent	64	Overtaking an Outlander, smeared with blood as a Rite of Passage
15	Crawling clumsily across the floor, too swollen with cruor to fly	65	Perching on the upraised arms of a Dryad Statue
16	Dangling precariously from the sides of a skinny stalactite	66	Piercing the carcass of a deer, hanging from a Hook
17	Darting from perch to perch to avoid a frustrated Giant Spider	67	Plaguing a platoon of Hobgoblins, marching on patrol
18	Depositing row upon slimy row of translucent carmine eggs	68	Pulsating as they digest spicy Dragon blood
19	Detaching from a dead Doppelgänger, grey skin and rubbery bone	69	Puncturing through a canvas sack, suspended from the ceiling
20	Divebombing a shouting Dwarf, wildly swinging his Hammer	70	Pursuing a fleet-footed Pickpocket down darkened corridors
21	Draining a desperate Plague Doctor dry	71	Quavering in contented warbling chirps
22	Drinking small straw-like sips from an unattended glass of wine	72	Ranging far and wide to nearby farms for their nightly sorties
23	Dropping down suddenly from a doorway onto the back of a Bandit	73	Rapidly diving to avoid a snatching Snake
24	Drying their hematic dens by fanning their wings	74	Ravenously swarming a group of Halfling Mushroom Hunters
25	Dwelling inside a big bronze Bell, still suspended on a rotting beam	75	Rolling around in a pile of ashes to eliminate Lice
26	Emerging from the helm of a hollow suit of ceremonial Armor	76	Roosting in a uniform line, all along an arched roof
27	Engorging on a hibernating Owlbear, flightless due to bloat	77	Seeking the shadows after a sudden burst of Magical Light
28	Establishing a splinter colony due to overpopulation	78	Settling into their nests after a big meal, distended bellies drooping
29	Exsanguinating an Explorer, as his Porters scramble and flee	79	Shunning the acrid smoke of a special wood, burnt by Neanderthals
30	Extracting precious little blood from a dead Rat	80	Skimming gore off a bloody discarded Axe head
31	Fattening for breeding season, much more aggressive than normal	81	Squeaking as they flock around a Fighter in recently Rusted chain
32	Feeding young by regurgitating gory mixtures	82	Squeezing through tiny cracks after sensing warm breath
33	Fencing with pointy proboscises: fighting over the right to mate	83	Starving, stuck in a room with several bloodless Skeletons
34	Flanking an archway, ready to swoop on any passersby	84	Streaming towards an entranced Lizard Man Shaman
35	Flapping furiously within a sticky mass of Web	85	Suddenly swooping, startling a Relic Smuggler
36	Flourishing from regular sacrifices made by a creepy Blood Cult	86	Swinging playfully on a series of suspended chains, a rattling racket
37	Fluttering down from a chimney flue, blackened with soot	87	Thirsting for the blood of a Noble, sleeping in a glass coffin
38	Flying clumsily, drunk after feeding on an intoxicated Ogre	88	Thriving due to plentiful play: almost the size of Ravens
39	Following the sweet scent of a bleeding Elf	89	Transmitting weak Vampirism: Sunlight sensitivity/garlic allergy
40	Gingerly sipping from a crimson, quickly curdling puddle	90	Troubling a Cyclops Shepherd by sucking her Sheep dry
41	Gorging on a gibbeted Gnoll	91	Unfurling wings as they burst forth from viscous maroon cocoons
42	Gripping fast with tenacious legs to a screaming Goblin	92	Upsetting the Underling of an Evil Mage, insists on breeding them
43	Hanging densely along the bottom of a shelf, preening	93	Utterly besieging a Bugbear, can't pick them off fast enough
44	Hovering in place, waiting for a Carcass Crawler to paralyze prey	94	Veering sharply around a corner after a whiff of fresh blood on the air
45	Humming in unison as a distant Shrieker howls	95	Weaving among a throng of Bats
46	Hunting down a wounded Horse	96	Whistling as they shoot toward an under-armored Orc
47	Immaculately constructing their scarlet nests of solidified spit	97	Whizzing around the head of an oblivious Brass Golem
48	Impaling proboscises into a taxidermized Stag Head, frustrated	98	Wriggling below a motheaten blanket atop a straw mattress
49	Infecting those they drink from with bloodborne pathogens	99	Yexing softly after drinking their fill from a Friar
50	Jabbing through the eye-slit of a Plate armored Paladin's helm	100	Zooming away from a recently risen/utterly famished Vampire
