

OSE Encounter Activities – Troglodyte (d100)

1	Accompanying their Shaman on a holy procession	51	Lurking amidst several marred/broken Statues of Adventurers
2	Adorning themselves with exotic, colorful feathers	52	Lying in wait for their Champion: A huge, Ogre sized specimen
3	Ambushing an unsuspecting Ogre	53	Marking edges of territory with surprisingly detailed scent signs
4	Barking orders to inexperienced juveniles	54	Mending nets, barbed with sharp teeth for ensnaring prey
5	Basking in warm air from a thermal vent	55	Meticulously repairing a snare, designed to snatch Stirges
6	Blending their scales to match a moss-covered wall	56	Mixing bright (some bioluminescent) pigments to decorate faces
7	Blow-darting a Dwarf with Giant Centipede venom	57	Mottling into fierce, angry shades upon discovering a Ghoul
8	Boiling a soupy concoction with heated stones	58	Nauseating a Cleric, defending a fleeing Medium
9	Brewing refined Carcass Crawler toxins in Cave Gourds	59	Nervously approaching a balefully glowing glyph
10	Camping after a long march, arguing over watches	60	Offering a Halfling sacrifice to their Giant Tuatara avatar
11	Carving intricate/delicate jewelry from Cave Mollusk Shells	61	Organizing a bloody raid on a Surface folk settlement
12	Chirping high-pitched warning sounds to alert the tribe	62	Outraging a trapped Troll with fiery Guano bombs
13	Creeping along a corridor cautiously, frills erect	63	Painting detailed tribal histories on cavern walls, breathtaking
14	Crossing a pool filled with treacherous pale Piranha	64	Patrolling haphazardly, underpaid mercenaries for Evil Acolytes
15	Cultivating Shrieker watch-shrooms in strategic locations	65	Protecting a Clan Matriarch, suffering from a Black Widow bite
16	Darkening scales reflexively after hearing a sudden sound	66	Pursuing a group of Bandits, hoping to steal their Mule
17	Decorating small bone-pile shrines with shiny stones/items	67	Puzzling over how to operate a confiscated Crossbow
18	Defeating a colony of Crab Spiders for a crunchy supper	68	Racing away from an inadvertently disturbed Wight
19	Defending a humid and warm nesting site, dotted with craters	69	Raising hue-and-cry after discovering Green Slime
20	Detaching their tails to distract a hungry Owlbear	70	Raking their claws futilely on a bemused Gargoyle
21	Digging into rotting wood, seeking delicious wriggling Grubs	71	Reeking with an especially pungent odor: Mating Season
22	Drinking stolen Wine and growing quite rowdy	72	Resetting a spring-loaded board, studded with poisoned shards
23	Eating roasted Giant Rat, plenty to go around	73	Resting on hammocks woven from fibrous fungus
24	Erecting crude palisades to keep invading Kobolds at bay	74	Roasting enormous Robber Fly larvae over low coals
25	Establishing a foothold within territory annexed by Gnomes	75	Scouting nesting sites with the aid of an oracular Crocodile
26	Excavating a fossilized skeleton of one of their forgotten Gods	76	Scrambling out of the way of a Wizard's ricocheting Lightning Bolt
27	Excreting foul secretions, watering eyes of a Sage's Apprentice	77	Scurrying on all fours, with wicked knives in their jaws
28	Farming row upon row of massive Mushrooms for food	78	Sharing swigs of a potent Toadstool Tea that grants visions
29	Fashioning wickedly barbed harpoons from unusual bones	79	Sharpening horn and antler into daggers and blades
30	Filling the air with their offending stench	80	Shifting the hue of their scales to match an ancient mosaic
31	Fishing for Giant Cave Crayfish, using Giant Bat bait	81	Skinning a Giant Ferret with flint hand-tools
32	Flinging sealed ceramic pots, brimming with Grey Ooze	82	Skulking along a well-travelled path, looking for traces of passage
33	Following Giant Toad tracks intently, needing toxins for rituals	83	Soaking ailing feet in a mineral rich pool
34	Forging crude metal weapons with the aid of a captured Smith	84	Stealing a sharp Steel Dagger from the corpse of a Thief
35	Frantically clubbing a Rust Monster, intent on consuming their iron	85	Surrounding a Thoul, trespassing in their territory
36	Gagging a group of Goblins with their noxious emissions	86	Taming a Giant Tuatara to ride into battle
37	Gnawing on the bones of a Cave Bear	87	Tasting the air with their forked cobalt colored tongues
38	Guarding an entrance to a fantastically beautiful grotto	88	Tending to special stalagmite sculptures of spiritual significance
39	Hiding within carved alcoves, melding with shadows	89	Topping off crude clay jugs from a trickling Spring
40	Hissing loudly in a standoff with well-armed Hobgoblins	90	Tracking down a wounded Rhagodessa
41	Hunting a massive Rock Pythons as a rite of passage	91	Trading their strange Puffball Spore Grenades to Kobolds for metal
42	Illuminating an area, crude lanterns made of Fire Beetle glands	92	Trudging up walls, strapped to their Giant Gecko mounts
43	Injuring a retching Veteran with their teeth-tipped clubs	93	Tying up an unlucky Prisoner: A Wererat concealing her nature
44	Intently sniffing as a Stench Bard relates a famous legend via smells	94	Unfurling their dewlaps and head crests in a dazzling display
45	Itching and scratching fiercely at strips of shedding skin	95	Viciously smashing a Rival Tribe's Egg clutches
46	Joining forces with Lizard Men to eradicate pesky warm-bloods	96	Wallowing in shallow pits of heated Mud
47	Knapping astonishingly sharp Obsidian shards	97	Waylaying a Warlock in search of special Lichens
48	Launching volleys of bone javelins with clever atlatls	98	Wielding Swords, stolen from a band of Berserkers
49	Licking irritants from their eyes with long blue tongues	99	Worshipping at a jagged Altar of murky glass
50	Lugging Caecilia segments back to a settlement: A successful hunt	100	Wrestling for a new ceremonial title within the Tribe
